1. About MPOnline Limited:

MPOnline Limited is a Joint venture company between Government of Madhya Pradesh (GoMP) through Madhya Pradesh Sate Electronic Development Corporation (MPSEDC) and TATA Consultancy Services Limited (TCS) with the objective of developing and operating the official portal for the Government of Madhya Pradesh.

MP Online Portal is the initiative by the Government of Madhya Pradesh, to serve its citizen in terms of providing them with the facilities at their doorstep, in the process eliminating the need for coming to the Government offices and avoid standing in long queues.

With the help of the portal, citizens can avail of the government services (such as forms for professional examination board, birth/death, caste certificates etc) and can deliver the facilities provided by government/ private sector. Mission

Government of Madhya Pradesh wants to provide citizen services at their doorstep, with special emphasis on the rural community of the state by using a Portal "MPOnline". GoMP visions that for the services provided, the citizen is not required to come to the Government offices. The government wants a shift from **Citizen In-Line to Citizen On-Line**

SERVICE DELIVERY MECHANISM OF MPONLINE LTD

To enable delivery of Services throughout the state, MPOnline Ltd has identified a number of Internet Kiosks as authorized service delivery points.

Citizens and Businesses can avail Services from their own internet connection or through an MPOnline authorized Internet Kiosk.

For availing Services on MPOnline portal, the Citizen / Business will have to pay a "service charge" over and above the "fee" for the Service. This Service charge will be shared between MPOnline Ltd and the Kiosk. The "fee" collected will be passed on to the department / institution concerned for each service.

MPOnline provides two types of payment mechanisms to its customers. Citizens and Business can either pay **by Card or by Cash**. For Cash payment, citizens and business will have to avail services via an MPOnline authorized Internet Kiosk.
