

Research Policy

07/04/2022

Preamble

Awadhesh Pratap Singh University, Rewa is committed to provide congenial atmosphere to all faculty members and research scholars to do excellent research pertaining to both local and global issues. The Research Promotion Policy of the university aims to help its faculty members, research scholars and other stakeholders to achieve the excellence in "research, innovation and entrepreneurship" contributing to upliftment of both institution and society.

Objectives

- To encourage faculty members to formulate and submit specific research projects based on their area of specialization for financial support to different funding agencies.
- To initiate collaboration with national and international institutions / universities for developing state-of-the-art technologies relevant to different disciplines.
- To motivate the faculty members and Ph.D. scholars to publish the outcomes of their research in peer-reviewed journal with high impact factors, file patents and transfer technologies to relevant industries.
- To recognize both faculty members and students for their significant research outcomes.
- To provide internal funding to continuously augment / upgrade infrastructure for research in various departments.
- To give financial support to regular research scholars in each department.

Some of the initiations taken in this direction are:

- There is a Research Directorate in the University which organizes entrance test / course work / examination and other issues related to research to discuss and decide.
- University has a cell to help students to check their anti-plagiarism software Urkund for checking the documents / thesis / reports / research publications free of cost.
- It has been made compulsory to upload all awarded thesis in Shodhganga. MoU with INFLIBNET has been signed in this connection.
- University hasUSIC, Business lab, Mootcourt, Musium and many high-tech facilities with sophisticated instruments.
- Departmental Research Committee (DRC) is empowered to review various research related issues of the Department.
- There is provision of Seed money / Finance support for faculty members showing potential in excellent research. Research awards/Appreciation is also given to faculty members for excellent their achievements.
- There is provision of Financial support to faculty members for participation in seminars / conferences (National and International) and workshops.
